No other aid so great to the housewife, no other agent so useful and certain in making delicious, pure and wholesome foods, has ever been devised.

ABSOLUTELY PURE

There are imitation baking powders, sold cheap, by many grocers. They are made from alum, a poisonous drug, which renders the food injurious to health.

ROYAL BAKING POWDER CO., 100 WILLIAM ST., NEW YORK.

Many people worry because they believe they have heart disease. The chances are that their hearts are all right but their stomachs are unable to digest food. Kodol Dyspepsia Cure digests what you eat and prevents the formation of gas which makes the stomach press against the heart. It will cure every form of digestion. F. C. DEERSON.

How Do You Like Trusts?

The National Salt Company, better known as the Salt Trust, of Michigan, which controls 95 per cent. of the salt output of the country, celebrated McKinley's election by increasing the price of common table salt from \$1.10 per hundred pounds to \$2.50 per hundred pounds.

You can't afford to risk your life by allowing a cough or a cold to develop into pneumonia or consumption. One Minute Cough Cure will cure throat and lung troubles quicker than any other preparation known. Many doctors use it as a specific for grippe. It is an infallible remedy for croup. Children like it and mothers endorse it. F. C. DEERSON.

Will There Be a Contest?

United States District Attorney Hill says there can be no contest of Kentucky's electoral vote, unless Congress passes a resolution to this effect. This, he says, is covered by a Supreme Court decision. It is not likely that there will be any contest over this.

DOMESTIC PRODUCTS.

Old Time Fiddler's Contest.

"Did you ever hear a fiddler fiddle?" And do you play the fiddle? The old time fiddle has been pushed to the wall long enough. "The fiddle of the Mt. Sterling Auxiliary of the C. W. B. M. will have an old time fiddler's contest sometime in November. Three prizes in gold coin—first, second and third will be awarded by competent judges. Any one who wishes to play in the contest will please write Mrs. W. H. Strossman, Mt. Sterling, Ky.

Gov. Beckham's Proclamation of a Day of Thanksgiving.

Gov. Beckham on Thursday issued the following proclamation: "Commonwealth of Kentucky, Executive Department—Thanksgiving Proclamation: In accordance with custom, and in response to the grateful emotions of our people toward Almighty God, I appoint Thursday, November the twenty-ninth, as a day of thanksgiving and prayer throughout the Commonwealth. Let us on that day give reverent thanks unto Him for the many blessings bestowed upon our country, and lift up our prayers that, in the future, as in the past, He may guide the nation through the storms and perils that may beset it into the haven of peace and happiness. Upon that day let all our citizens lay aside their business cares and duties to contemplate the growth and progress of their country, and to express gratitude to Him from whom all these benefits have come. We should not forget the poor and suffering among us, and wherever it is possible to extend the hand of charity to those deserving it, the generous impulses of our people will lead them to do so, to relieve distress, to feed the hungry, to clothe the naked during the severities of the coming winter.

"In testimony whereof I have hereunto set my hand, and caused the great seal of the Commonwealth to be hereunto affixed. Done at Frankfort this 15th day of November, A. D. 1900, and in the 100th year of the Commonwealth.

J. C. W. BECKHAM.

"By the Governor, 'C. B. Hill, Secretary of State.'

Don't be deceived or humbugged by people who claim the discovery of some hitherto unknown herb or root in swamps, or on some mountain or prairie, for the cure of kidney and bladder troubles. Any druggist or druggist will tell you that such claims are fraudulent. Foley's Kidney Cure simply contains remedies that are recognized by the most skillful physicians as the best for these complaints, so don't be credulous or foolish.

Sold by F. C. DEERSON, druggist.

Better.

It is infinitely better that Beckham, young and somewhat inexperienced as he is, should have been elected than Yerkes should have been chosen and the sanction of the good people of Kentucky given to the crimes against law and life for which he stood. Indeed the election of Beckham goes very far to relieve the general gloom of the situation—(Clarkeville (Tenn.) Times-Journal.

"Good Night."

How few women know what it is to have a good night; a night of sound, restful sleep. They smile and say "good night" in cheery tones, but when the chamber door closes behind them, the smiling mask drops off, and shows the lines of suffering.

Other women have had the bad night changed to good by the use of Doctor Pierce's Favorite Prescription. So say you. Ninety-eight times in every hundred it perfectly cures diseases of the delicate womanly organs. It builds up the nervous system, puts flesh on the body and color on the cheek.

"Favorite Prescription," writes Mrs. C. N. Anderson, of Rockbridge Falls, Rockbridge Co., Va., "is a God-send to weak and sickly women, restoring health without subjecting their nerves to the shock of an examination. I was all run down in health—could not work but a short while without resting. Was so nervous at times that I could not even write; had a very poor appetite. I decided to write to Dr. Pierce and state my case. I received a favorable reply, and commenced taking the 'Favorite Prescription' and 'Pellets.' Took six bottles of 'Favorite Prescription,' one of Golden Medical Discovery and one vial of 'Pellets.' I can now work as well as I could before I was taken sick. I think Dr. Pierce's medicines are the best in the world for sick and nervous women."

Doctor Pierce's Pleasant Pellets are specially adapted to the use of delicate women. Easy to take, gentle in action.

November Court.

About 4000 cattle on the market. Quality fair. Trade was slow. The best sold at 4¢ cents. One bunch of 8 1050 lb. picked steers sold at 4¢ cents. Yearlings 3¢ to 4¢ cents. Heifers at 3 to 3½¢. Cows at 2 to 2½¢. Bulls at 2½ to 3¢. The dry weather, with stock water scarce, cut off a good many buyers. A good many cattle sold at from 3 to 3½¢, a reduction in price of at least 50 cents from last court. A large crowd present from the State, but no foreign buyers here. Quite a number of cattle left over unsold at night.

SALES.

J. W. Bales sold 65 950 lb. cattle to Bond & Carpenter, Lawrenceburg, Ky., at \$3.40.

E. K. Henry sold 7 950 lb. cattle at 4¢.

Jake Boyd sold 13 1000 lb. cattle to Sid Hart at 4¢. Mr. Hart sold 8 1050 lb. steers out of the bunch to John W. Hughes, of Bath county, at 4½¢. These cattle were good.

Wm. Stout sold 25 800 lb. steers to L. Fannin, of Ashland, Ky., at \$3.35.

L. C. Bayze sold a bunch of 700 lb. cows to Solomon, of Lexington, Ky., at 1½¢.

Mr. Solomon bought about 50 head of canners at 1 to 2¢.

Andy Manley, of Bath county, bought 14 760 lb. steers at 3½¢.

Jno. P. Games bought 12 970 lb. cattle to Sam Laythrum at 4¢.

Preston & Co. sold 13 800 lb.

steers to Wiehl & Co., of Lexington, at \$3.15.

Jessie Stafford sold 10 850 lb. steers to Ike Fannin, of Ashland, at 3½¢.

R. L. Smith sold 9 950 lb. cattle to C. C. Curry, of Clark county, at 4¢.

Jno. Rose sold a lot of 1300 lb. bulls at \$2.80.

Dr. R. Q. Drake bought 12 950 lb. cattle of Ben Salyers at 4¢.

Joe Turley bought 13 750 lb. cattle to Frank Brown at 3½¢.

Albert Bouene sold 20 825 lb. cattle to Bond & Carpenter, of Lawrenceburg, at \$3.35.

HORSES AND MULES.

A few horses sold at from \$60 to \$100. Some good horses on the market, but we did not hear of any sales.

A good many mules for sale but good ones did not show up. S. D. Carpenter, of Millersburg, bought 15 mules at from \$80 to \$120. Other prices at about these figures. Sales were a shade easier.

Fire at Kirksville.

Fire destroyed the Masonic Hall at Kirksville. The residence of John S. Long, near Kirksville, also burned to the ground, together with its contents. No insurance. Scarcity of water in Madison has become alarming. No good rains have fallen in six months, and the reservoir in Richmond is nearly dry. Water famine and fires are dreaded.

Nature has just one pigment on her palette with which she produces all the marvelous tints of beauty, and that one pigment is the blood. The shell-like pink beneath the finger nails, the delicate rose of the cheek, the cherry ripeness of the lips, the iridescent brilliancy of the eyes are all produced by the blood. Just as the permanence of a beautiful painting will depend upon the purity of the colors with which it is painted, so the permanence of beauty depends on the purity of the blood. Paint, powder and cosmetics won't avail to preserve beauty. Beauty begins in the blood. Dr. Pierce's Golden Medical Discovery is a true beautifier, because it provides for nature that pure blood with which alone she can paint. The use of this medicine will cleanse the skin, brighten the complexion, brighten the eyes, and give to face and form that radiance of health which is the greatest charm of beauty. Dr. Pierce's Pleasant Pellets are very effective in ridding the system of clogging crudities, which accumulate with constitutional habit.

More Plants.

The Cumberland Telephone Co. has just bought the telephone plants at Nicholasville, Lebanon and Stanford. Price said to be \$25,000.

Hard Terms for China.

The allied powers in China have sent a joint demand to the Chinese government that the following terms be agreed to as the basis of a preliminary treaty. In other words the state of hospitality between the Powers and China does not cease till these are agreed to: "China shall erect a monument to Baron Von Ketteler on the site where he was murdered, and send an imperial Prince to Germany to convey an apology."

"She shall inflict the death penalty upon eleven Princes and officials already named and suspend provincial examinations for five years where the outrages occurred."

"In future all officials failing to prevent anti foreign outrages within their jurisdiction shall be dismissed and punished. (This is a modification of Mr. Conger's proposal.)"

"Indemnity shall be paid to the States, corporations and individuals."

"The Tsung-Li-Yamen shall be abolished and its functions vested in a Foreign Minister."

"Rational intercourse shall be permitted with the Emperor, as in civilized countries."

"The forts at Taku and the other forts on the coast of Chi-Li shall be razed and the importation of arms and war material prohibited."

"Permanent legation guards shall be maintained and also guards of communication between Peking and the sea."

"Imperial proclamations shall be posted for two years throughout the empire suppressing Boxers."

"The indemnity is to include compensation for Chinese who suffered through being employed by foreigners, but not compensation for native Christians. The words missionary and Christians do not occur in the note."

Sam Kash's Residence Bombed.

During the term of the Clay county Circuit Court at Manchester Samuel Kash, formerly of this city, defended Willard Philpot, charged with killing in April Deputy Sheriff Felix Davidson, identified with the Whites and Howards. The result of the trial was a hung jury. After adjournment Kash's residence was bombarded and several shots were fired through a window. No one was injured. Sam is a zealous Republican politician and lawyer.

Everett Wells writes from New Mexico indicating improvement in health and expressing in verse his gratitude to friends here for their kindnesses. He may be restored to perfect health.

Nothing developed except that there was a crop game at Clintonville and that Mr. Thompson had the negroes who participated in it arrested. Why not come to us first and avoid the needless expenditure of so much time and money.

Sterling, and offer a relief to those who are afflicted. It matters not how long you have been ill, or how much money you have uselessly expended, there is yet a hope for you. The power of the mind is omnipotent. By the method of therapeutics as practiced by these gentlemen, you can be permanently relieved of your ailments without the use of any poisonous drugs, dangerous operation or painful manipulation.

Cecil Wilkes.

This grand young stallion will make a fall season at Maple Hill Stock Farm, near Mt. Sterling, Ky., at the exceedingly low price of \$20 to insure live foal. We can say without hesitation that his equal has never been in Eastern Kentucky. He stands 16 hands 2 inches, is smooth, high styled, has fine action and from ordinary mares will get good sellers. He is as well bred horse as lives, and is the best bred one ever in this section. Is full brother to Eclipse, 2-304 and five others with records and trials.

BLACK DOUGLAS.

Also at same place the handsome 16 hand combined harness and saddle stallion at \$7.00 to insure a live foal. He is standard bred, his sire took three premiums at World's Fair.

Listen Farmers!

A farmer in Wisconsin says he has adopted a plan of advertising in his home paper which has saved him much valuable time and brought handsome returns for the money invested. He says: "When I am ready to sell anything I insert a little advertisement in the local paper telling what I have to sell, and if live stock, how many head of each and when they will be ready to ship, and the result has been that the buyers are right after me, either personally or by mail, and naturally I get the highest price."

From four to six million people in North China are threatened with starvation, owing to crop failures. The military authorities at Shanghai made an effort at relief by stopping shipments from Central China.

ATLANTA DAILY CONSTITUTION

Now Running a Special Campaign Offer, Only \$1.00.

The Constitution of Atlanta, Ga., is now offering its Daily and Sunday editions complete to new subscribers from the date the order reaches that office until November 30th for only \$1.00. This last campaign offer will take the subscribers beyond and give him the full news of the presidential election. The period thus covered will be of unusual interest, not only because of the election and the questions pending thereon, but it will be full of events, and guesses at the truth of reported events in China. The struggle is on between the "yellow terrors" and the "foreign devil" and it will consume the world's attention for many months to come. It is probable that South Africa will become peaceful on a basis that will allow the spunky Boers to lay down their arms with honor. Cuba and the Philippines are with us and until their status is determined their question will continue to be ours. The Constitution always covers all the news completely and this exceptional offer will doubtless test there full capacity in supplying the paper to thousands of thirsty subscribers. The sooner you send for it the longer you will get it for your dollar.

Ladies and Gentlemen.

For treatment of sore feet call on or address LEE FRIER, the Barber.

The editor of the Fortville, Ky., Miscellaneous, writes as a postscript to a business letter: "I was cured of kidney trouble by taking Foley's Kidney Cure." Sold by F. C. DUKSON, druggist.
